# ABOUT US

With a presence in over 28 countries and a capacity to produce 2.5 million pens daily, Win Pens is one of the largest exporters of writing in India, servicing a wide gamut of countries, ranging from Mexico, Egypt, UK and Thailand. What started off with a meager capital of \$2000 back in 2004, is now one of the leading manufacturer of writing instruments in India.

We have an equally wide range of products, covering ball pens, gel pens, semi-gel pens, retractable pens, sketch pens, direct filling pens, markers and many more.
